Our boarding options

Students from years 7 to 10 live in friendly and spacious double rooms. Three to four rooms make up a living unit overseen by supervisors. Each floor has its own recreation room. Guided study and leisure activities are offered in the evenings. Differentiated bedtime hours.

In the years 11 and 12, students live whenever possible in single rooms. They set their own clear rules and regulations for structuring their days, supported one-to-one by professional tutors.
